WEDDING PACKAGES

Your love story, entwined with our stories from the past.

Dear Sir/Madam

Thank you for the interest shown to host your wedding at Leipzig Country House

We work exceptionally hard to make sure that you and your entourage feel like part of the family, from the moment you arrive until we say our final farewells and that's what sets us apart. Most of all, we want you to connect with sublime nature on a wine farm that's famous for long days, magical moments, and simple luxuries.

Our weddings are hosted in the old wine cellar, as romantic as it gets, and also in our beautiful garden or picnic areas nestled at the foot of the Rabie Mountains.

The main venue (the old cellar) provides seating for up to 130 people and opens onto an adjacent dance area.

We also have a chapel (the old brandy cellar), which can accommodate up to 120 guests. When the weather is good absolutely nothing compares to the tranquil garden setting for the ultimate experience. It can accommodate between 50 and 150 guests and have several options.
